Year 2 Wild and Wonderful

George and the Dragon
In Maths Summer 2

Data- data is a collection of information. gathered by observation, questioning or measurement. · data is often organised in graphs or charts for analysis and. may include facts, numbers or measurements.

Prior Learning

- I can read and write numbers from 1 to 20 in numerals and words.
- I can identify and represent numbers using objects and pictorial representations including the number line, and use the language of: equal to, more than, less than (fewer), most, least.

Colour	Number of Smarties	Frequency
Green		7
Orange		8
Blue		5
Pink		6
Yellow		11
Red		8
Purple		7
Brown		3
	Key ⬤ = 2 smarties	

Milestones

- I will interpret and construct simple pictograms, tally charts, block diagrams and simple tables
- I will ask and answer simple questions by counting the number of objects in each category and sorting the categories by quantity
- I will ask and answer questions about totalling and comparing categorical data.
- I will recognise the place value of each digit in a two-digit number (tens, ones)
- I will partition a number into different tens and ones.
- I will use place value and number facts to solve problems.

Partitioning into different 10s and 1s- To partition a number, you split it into the value of its digits. You can partition numbers in different ways into a different combination of tens and ones.

$$42 = 40 + 2$$

$$42 = 30 + 12$$

$$42 = \boxed{}$$

$$42 = \boxed{}$$
